CBA/Common Assessment Data Analysis Protocol

Department: _____ Teacher: _____ Date: _____

The following analysis is based on our department/team's common assessment of the following standards:

1. What is a standard where my students struggled?

2. In which standard(s) did our students struggle? What do we believe caused this?

3. What strategies were used by teammates whose students performed well?

4. What is our plan for improving the results?
